

Lighthouse (L/H200HAND)

LED Hand Lamp 3W (200 Lumen)

The Lighthouse LED Hand Lamp is a compact yet powerful double function LED lamp that operates as a torch or work light. Two types of light output: using either a 3 LED spotlight providing a 15 lumen spotbeam or a single COB LED that generates a bright 200 lumen work light. Fitted with a comfortable soft feel hand grip. For added versatility the lamp also features a fold away hanging hook and a magnetic back that allows it to be either hung or attached to metal surfaces. The lamp can provide a spot beam for up to 35 hours or a work light for up to 9 hours. Supplied complete with 3 x AA alkaline batteries. Available in either red or blue, colour is chosen at random.
