

Lighthouse (L/HEHEAD350R)

## Elite Headlight Rechargeable 350 Lumens

The Lighthouse EHEAD350R is a rechargeable high performance LED headlight featuring focus control and three output options of high, low or strobe. This top of the range headlight features the very latest LED that provides a super bright beam of light from a single source. LEDs are unsurpassed in both output and efficiency providing long running times with a life span of over 100,000 hours. The headlight's powerful rechargeable Li-ion batteries will provide a 350 lumen strobing beam lasting up to five hours or a 150 lumen beam for up to 10 hours on a single charge. The torch has a virtually unbreakable polycarbonate optical reflector lens and an adjustable head strap with an adjustable lamp that tilts up to 90°. It is shockproof and rain resistant and is supplied complete with a mains charger.

Battery	Runtime	Max. Lumen Output	Battery Supplied
Li-ion	-	350	-
