Hi-Vis Orange Motorway Jacket - M (41in)

This Scan High-Visibility Orange Waterproof Motorway Jacket with taped seams and retro-reflective tape, conforms to EN 471 Class 3 and also to EN 343 for protective clothing against foul weather. With an outer layer of 100% polyester with a waterproof polyurethane coating, a two-way heavy-duty zip fastening, stud fastening storm flap, and a concealed hood with drawstring it is excellent at protecting against foul weather conditions. The jacket has a quilted nylon lining ensuring excellent insulation and warmth. It also features 2 outer pockets and one breast pocket. Available in M, L and XL. Colour: Orange. Size: Medium (39-41in).
